Factory Equipment Expo 2027
5 - 8 August 2027, Yashobhoomi (IICC), Dwarka, New Delhi

Dear Industry Colleagues,

It is a pleasure to connect with you once again.

Indian Machine Tool Manufacturers' Association (IMTMA), the organiser of IMTEX, is pleased to announce the fourth edition of Factory Equipment Expo (FACTEQ 2027) and the sixth edition of Delhi Machine Tool Expo (DMTX 2027). The expos will be held from 5 to 8 August 2027 at Yashobhoomi (IICC), Dwarka, New Delhi.

FACTEQ & DMTX are North India's premier exhibitions for factory equipment and metalworking, manufacturing technology, focusing on products and solutions to meet the requirements of new factories and those that necessitate upgrading existing facilities.

A unique show for the manufacturers of factory equipment, FACTEQ 2027 will bring the entire range of products and services under one roof to design, build, operate and maintain the factories of tomorrow. FACTEQ 2027 aims to develop industries in the region with new and cutting-edge technologies for factory needs. FACTEQ and DMTX will take place in an exhibition area spanning 14,000 sqm across two halls, with around 300 exhibitors participating.

The product range on display would cater to the needs of various industries, including aerospace, agriculture, automotive components, capital goods, defence, earthmoving equipment, electrical and electronic systems, general engineering, railways, textile machinery, tractors and agricultural machinery, and white goods and brown goods.

The last edition of FACTEQ & DMTX was held at Bharat Mandapam (Pragati Maidan), New Delhi in May 2025 with participation of around 200 exhibitors. The forthcoming edition of the expo is expected to be larger with a broader presence of trade delegations and visitors.

The exhibition guidelines, application form, and brochures providing more information about the show are enclosed with this letter.

I cordially invite you and your organisation to be a part of FACTEQ and DMTX 2027 and explore the excellent business opportunities it offers.

Look forward to your participation at FACTEQ 2027.

Yours Sincerely,

Jibak Dasgupta
Director General & CEO
