AN EXCLUSIVE SHOW ON FACTORY EQUIPMENT

Image shot at FACTEQ 2024, Pune

FACTEQ is an exclusive exhibition on factory equipment focusing on products and solutions to meet the requirements of new factories and necessitating upgrade of existing facilities. The exhibition connects equipment manufacturers and factory designers, builders, and managers under one roof.

FACTEQ is co-located with Delhi Machine Tool Expo (DMTX) 2025, a leading machine tool and manufacturing technology exhibition in northern region. The exhibition is organised by Indian Machine Tool Manufacturers' Association (IMTMA), organiser of IMTEX (South and Southeast Asia's leading machine tool and manufacturing technology exhibition).

Special Pavilions

Material Handling and Logistics

Industry Speaks

We are happy to be a part of IMTMA's launch expo on Factory Equipment, we have got good response exhibiting at FACTEQ.

 **Ashish Gupta**
CEO, Extreme Coolers Pvt. Ltd.,

We have received an overwhelming response from FACTEQ. We are extremely satisfied with the response and the opportunities facilitated by this platform.

 **Harshit Ramoliya**
Branding & Marketing Head, Raj Coolers

This is the first exhibition we are participating in, and we are very happy with the response from FACTEQ. During the show, a number of customers visited our stand to explore our services. The show has helped us extend our market reach. Looking forward to participating in future editions.

 **Vikrant M. Athavale**
Partner, OOB Consulting
(Machine Shop Estimation Software)

We have exhibited in India's first factory equipment expo, we have served the automobile and manufacturing industries. We are very satisfied and the event has been very beneficial for us in meeting a number of customers who were in our material handling services in one place.

 **Abhishek Sawant**
Endo Kogyo India Pvt. Ltd.

We have been associated with IMTMA for a very long time since the year 2006, FACTEQ is a great initiative of IMTMA and we are pleased to showcase and to meet customers from this region.

 **S A Ganesan**
Director, Kabelschlepp India Pvt. Ltd.,

- Pharma equipment
- Plastics processing
- Process plant and machinery
- Railways
- Research and development Organisations
- Textile machinery sector
- Tractors and farm equipment
- White and Brown goods and others...

About IMTMA

Indian Machine Tool
Manufacturers' Association

Formed in 1946, IMTMA is the apex body of the Indian machine tool industry and plays an important role in its development through various advocacy measures. IMTMA has supported the setting up of institutions such as the Advanced Machine Tool Testing Facility and Advanced Manufacturing Technology Development Centre and worked closely with the government to set up a first-of-its-kind machine tool park in Karnataka.

IMTMA has been at the forefront of skill development through its Technology Centres in Bengaluru, Pune and Gurugram. Its flagship show IMTEX is one of the leading global machine tool exhibitions. IMTMA also organizes seminars, summits, and regional expos to develop the manufacturing industry. A state-of-the-art exhibition venue - Bangalore International Exhibition Centre (BIEC) set up by IMTMA acts as an ecosystem for the development of exhibitions and events in India.
